LOCKBOURNE,OHIO

Passed: October 12, 2026

RESOLUTION 39-2026

A RESOLUTION TO RECOGNIZE STORMWATER AWARENESS WEEK THE FIRST WEEK OF OCTOBER 2026

WHEREAS, urban stormwater runoff impacts water quality in (stream or watershed) in Lockbourne Ohio, and

WHEREAS, population growth, residential and commercial development, and the resulting changes to the landscape will only increase stormwater quality and quantity concerns throughout Ohio, and

WHEREAS, these impacts cannot be entirely avoided or eliminated but can be minimized; and

WHEREAS, it is currently recognized that control of stormwater quantity and quality is most effectively implemented when people and organizations understand the related causes and consequences of polluted stormwater runoff and flooding, and the actions they can take to control these, and

WHEREAS, the need arises not only from the regulatory requirements of EPA General Construction and Municipal Stormwater rules, but also from the recognition that citizens and local decision makers will benefit from a greater awareness of how the cumulative impacts of decisions at home, at work and through local policies impact our water quality, stream corridors and flooding, and

WHEREAS, the development and implementation of effective, outcomes-based stormwater education and outreach programs will meet the related federal stormwater pollution control requirements and those of the communities they serve so that Ohio continues to be a great place to live, work and play

NOW, THEREFORE BE IT RESOLVED that the Village of Lockbourne joins Soil and Water Conservation Districts and Communities across Ohio in recognizing the first week of October (October 1st-7th) as Stormwater Awareness Week.
